Prof. (Dr.) Sanjay Dhingra

CEO's MESSAGE

It is a matter of immense pleasure to announce that "Amrapali Institute of Technology and Sciences" completes 10 years of Excellence this year. Each year we provide to the world, a plethora of the academic elites that are all highly groomed individuals and aim to become a helping hand to society. I feel very proud when I see how Amrapali has become a place where shy, reticent youngsters enter to be groomed into confident professionals ready to take on the world. Wishing you all a very bright and soaring future. All the Best!!

Prof. (Dr.) S. K. Singh

COO's MESSAGE

How nice it is to see you all making the most of your career. It is the alumni that hold the flag of the organization up high, where it waves in the breeze of success. Spreading the seeds of excellence and glory do the alumni plant new buds that blossom out to provide fragrance to the surroundings. I feel pleased and joyous when I look back at the grandeur and spirit of engineers that we create and nurture under our care. Our graduates are serving all across oceans and playing their parts well. To every individual, I convey my blessings and hope that they face the inevitable with a heart of leadership and passion.

Prof. (Dr.) R. P. Mishra

DIRECTOR's MESSAGE

Don't give up on your "impossible dreams" just because others think they are impossible. I know as you continue trying, you get closer and closer to achieving it. Many of my friends may not believe the possibility of achieving the impossible, time and again, my students keep proving me correct. Congratulations dear Alumni- some of you have achieved the "impossible" and most of you are dressed in flying colours. As graduates of AITS you should not only be educated and intelligent, but also courteous and compassionate. Wishing all my dear students a great future ahead!!

Mr. Prashant Rajput

DEAN's MESSAGE

The amazing culture of teamwork is unique part of the AITS, and it can be seen throughout our entire community. We see it in our students coming together to solve global challenges and aid communities in need. We see it as our alumni work together to create companies that transform our lives for the better. We see it when our faculty crosses boundaries to help solve society's greatest challenges. This spirit extends even to the team that publishes this newsletter. We are proud to present to you a robust newsletter with a clear focus and a continued emphasis on bringing the campus to our alumni once again. I hope that you enjoy this.

ALUMNI MEET 2016

Like the fresh morning breeze the Alumni Meet 2016 brought with it the many hues of nostalgia. Held on 12th and 13th of March, 71 ex students turned up for the Meet. The ex students smartly turned out for this Meeting of Memories, met the Faculty, students and their batchmates with expressions of happiness.

The Meet was declared formally open with the Lamp Lighting Ceremony. In his Welcome Speech, the CEO was happy that the dream that Amrapali Institute was established with is reaching fulfillment. The young professionals inspired a new sense of confidence in the bright future of the Institute with their leadership roles in major organizations of the world.

Several eventful interactions with our Alumni decorated this splendid Meet. Beginning with the ceremony of the cake cutting, a journey of heartwarming exchanges began. Dance and musical performances, friendly games gave the meet camaraderie and exhilaration. "Ms. & Mr. Alumni Event" was highly applauded by everyone present with Ms. Ankita Singh (2015) and Mr. Nitin Bhandari (2012) stealing the show. A delectable Dinner at Royal Windsor Hotel provided further opportunities for interactions. The night stay at the Institute Hostel brought alive the many memories of halcyon college days, which was refreshing and satisfying. The second day of the Meet started with an enervating 'Tug of War' which was won by the students currently forming a proud part of the Amrapali Group. Thereafter, a 'Cricket Match' was organized in which the Alumni tasted success.

Memorabilia and Mementoes were distributed at the end of the Meet. The Meet had served its purpose successfully. The success of the Meet was a result of the hard work put in by our student volunteers who had had many sleepless nights before the Meet, to make the event end up in flying colours !

CHIEF MINISTER FELICITATES OUR MEMORY CHAMPION

Mr. Prateek Yadav (2015) stood First in the National Memory Championship held in Hyderabad last year. This was his Third Consecutive National Memory Championship Title. Prateek also has 8 National Records to his name in the field of Memory Building. Being the National Champion, Prateek had the opportunity to represent India at the International Memory Championship last year in Singapore where he ranked 3rd overall. Shri Harish Rawat, Hon'ble Chief Minister, Uttarakhand Government felicitated our Memory Champion for making the state proud. Our Best Wishes to Prateek as he prepares for the National Memory Championship 2016 to be held in Hyderabad later this year.

ALUMNI CONNECT PROGRAMME

Amrapali Group of Institutes has a strong alumni base with alumni who have been able to carve a niche' for themselves in their careers. Alumni form an important part of our educational heritage. To strengthen the Alumni- Institute Relations, the Institute runs an "Alumni Connect Programme" under which the alumni can get connected to their Alma Mater by being a Resource Person within their area of expertise. Several Alumni have offered job and internship opportunities to our young students. Another activity conducted under the "Alumni Connect Programme" is the Alumni Lecture Series, in which the Alumni are invited for Guest Lectures. Through the Lecture Series our young students learn about the latest technological developments in the Industry.

- ▶ Lieutenant Sanjay Satyapal, Indian Navy (2011) was invited for a Guest Lecture on 24th August 2015. Sanjay delivered a Lecture on the "Opportunities for Engineers in the Defense Forces". Sanjay also discussed how one can develop Officer Like Qualities OLQ's required to clear Service Selection Boards SSB's.
- ▶ Mr. Aman Agarwal (2014) hosted a Motivational Workshop titled "Everything is my Cup of Tea" on 12th April 2016. The Workshop was attended by more than 300 students from the different courses of the Institute. Aman is credited with being the Youngest Humorous Motivator of India.

The Institute has appointed some ex students including Mr. Himank Pandey (Cisco Aricent), Mr. Gautam Grover (HCL), Mr. Himanshu Pathak (Java Expert) and Ms. Akansha Joshi (Automation Expert) as Guest Faculty to make students aware of the latest trends in the Industry. The Institute has given recognition to the AITS Alumni Association which was established during Sandhaan 2012, the Annual Technical Festival of the Institute. The Institute Alumni Cell working in conjunction with the AITS Alumni Association dedicates itself to the cooperative functioning of all organs of the Institute -the Faculty, Students and Alumni- under one roof with the single aim of taking the Institute to greater heights. Any issue related to alumni affairs is managed by the two bodies which can be contacted as given under.
