Dear Budding Professionals,

Welcome to Amrapali Group of Institutes (AGI) Haldwani. We have been providing quality professional and technical education for the past 19 years. Approximately 18,000 students have graduated from AGI since its inception in 1999.

We at AGI aim to prepare the students to be successful in the dynamic workplace environment; we equip students with technical & professional knowledge, capabilities, flexibility, competencies and an understanding of the corporate world. The environment at AGI is amalgam of learning and application of corporate skills.

The development and sharpening of skills and enhancement of knowledge base in our students is result of various extra-curricular and co-curricular activities embedded within the curriculum.

At AGI students get an opportunity of exposure to corporate environment through industrial training and interactions with people of national and international stature during expert sessions and conferences.

We expect high standards in all that we do at AGI. We encourage our students to aim high in their studies, to work hard and to be sensitive to the rights and needs of others. Therefore, if you desire to make a difference by becoming one with wisdom, values and passion, than step ahead to write your own success story. We believe in you to make a difference.

As a prospective student, you are welcome to explore options that are available for you in our various academic programmes.

Wishing you a great career ahead.

(Dr. Sanjay Dhingra)

Group Profile

Established in 1999 under the aegis of Modern Academy Society, Amrapali Group of Institutes (AGI) is a renowned centre of learning in Haldwani. The five different faculty of AGI are:

- **Faculty of Technology & Sciences**
- **Faculty of Computer Science & Applications**
- **Faculty of Hospitality Management**
- **Faculty of Commerce & Business Management**
- **Faculty of Education**

The various courses offered by the Institutes are affiliated to Uttarakhand Technical University, Kumaun University, Uttarakhand Open University and Uttrakhand Board of Technical Education and are approved by the All India Council for Technical Education and National Council for Teacher Education.

In its 19 years of existence, the Amrapali Group of Institutes has emerged as a crowning glory of the beautiful district of Nainital. Currently, around 3800 students are pursuing their education in Commerce & Management, Computer Science, Education, Engineering and Hospitality Management. Amrapali Group has carved a niche for itself, to become the premier private professional educational Institution in the Kumaun region of Uttarakhand.

THE NEXT GENERATION OF SUCCESSFUL PROFESSIONALS

AGI GRADUATE, APEKSHA HAD ALWAYS BEEN PASSIONATE ABOUT INNOVATIVE IDEA'S and she has grownup to the level of learning & development manager at The Hilton.

She's just one of many AGI successful graduates. At AGI we're passionate about managerial skills, Technical Skills, entrepreneurship and innovation. Because of such success stories AGI is "widely considered to be regions best institution for career courses."

It's clear to understand why AGI is the institution of choice.

"AT AGI,
WE ARE DRIVEN BY PASSION.
WE WANT TO SEE OUR
GRADUATES EXCELLING
AND WRITING SUCCESS STORIES"

"OUR PASSION IS OUR STRENGTH"

CAREER FIRST

PRACTICING QUALITY BENCHMARKS

For inculcating the much-needed spirit of teamwork and leadership, series of lectures, discussions, workshops and group practice sessions are organised for students. Personality Development Programmes facilitate development of essential skills like effective communication, team building and problem solving.

WIDE RANGE INTERACTION

At AGI we allow freedom of thought, cultivate vision and encourage growth. We inculcate human values and concerns through open house sessions. Interactions with business leaders and entrepreneurs are organised throughout the academic year, through expert sessions and workshops thus giving students a professional perspective.

STAY COMMITTED

MENTORSHIP PROGRAMME

At AGI each faculty is committed for overall development of student. To ensure learning to each student mentorship is an on going process and small group of students are provided with mentors for academic as well as personal support.

HAVE FUN

ADD ON CERTIFICATIONS

At AGI we have tie-ups with various industry partners/associates, to provide opportunities to students for gaining value-added certifications along with their regular course.

COMPETENT GURUS

Our greatest strength is the presence of over 200 competent faculty members. Together, they provide a judicious mix of experience, industry exposure and academic acumen. We focus on continuous faculty development, to bring the best of learning to students.

EARLY ALERT SYSTEM

At AGI we go beyond the boundaries of syllabi in various innovative ways. For the same the Group has a web based ERP that aim to check student's success at different stages to ensure proper progression. The academic early alert system along with advising and tutoring ensures academic growth.

STAY FOCUSED

PLACEMENT ORIENTATION

The Placement Cell facilitates students at the Graduate and Post Graduate Level in procuring jobs. Students are assisted in preparing for interviews, aptitude tests and group discussions. Recruitment drives by numerous companies are organised within the Institute

PARTICIPATE & LEARN

Vision: “To be a Leading Professional Institution valuing Student Success”

Mission:

“Creating learner centric environment where every student can achieve their full potential”

Our Values:

Focus: We identify and align individual goals and strengthen focus in all our endeavours and approaches of academic discourse. We respect the individuality of learners.

Commitment: It's important to be focussed, but it's even more important to be committed. Things won't always go the way we want them to but if we stay committed, we will stay focussed.

Excellence: Maintain a high standard of integrity and performance leading to the achievement of academic and professional goals and success of the students at AGI.

Ethical: Transparency and an ethic of fairness is the core of AGI.

Creative Expression: We believe in harnessing a Culture of inquiry and evidence-based decision making in order to engage creative mind-set of students and other stake holders.

Collaboration: Collaboration is a driving force at AGI to strive ahead towards student excellence.

Student Support

Student Welfare:

AGI provides student welfare scheme for bonafide students of various courses:

- Medical Insurance cover
- Accidental Insurance cover

Note: The insurance cover is subject to policy clauses

Student Grievance Redressal Cell:

The Student Grievance Redressal Cell is a centralised assessable open window mechanism which handles all student grievances and an immediate intervention is done to provide them a solution.

Orientation & Counselling:

Orientation at AGI is held in the week prior to commencement of each session. Activities last three to six days and are designed to engage new students through integrated academic and corporate expert sessions. During these sessions profiling of students is also done so that individual development plan can be drafted. Based on profiles the class coordinators understand the specific needs of their students. Orientation helps them to settle into their new environment, learn to study effectively and to accmodate into AGI campus life.

Mentoring & Tutoring

At AGI we have developed a mechanism for providing mentors who can guide the new entrants on their new journey towards their professional career. The mentoring is in general a peer support for personal issues and academic issues of individual. The mentors are there to help you achieve your potential and make important decisions about your future

Peer tutors and faculty tutors are available for students who are weak in specific subjects. They would help the students to understand the concept and application of course content. For tutor assignment student need to forward a request to their Class Coordinator.

Scholarships for meritorious students:

75-79.99%	-	Rs. 2500/- per semester
80-84.99%	-	Rs. 5000/- per semester
85%-89.99%	-	Rs. 7500/- per semester
90% and above	-	Rs. 10000/- per semester

Additional Annual Scholarship for toppers - Rs. 5000/- Year

Note: The above scholarships are on basis of qualifying examinations, are granted annually. For subsequent semesters students need to perform and upscale their percentage to avail the same as it's on the basis of academic performance and need to maintain minimum 75% attendance.

Students availing any form of fee concession are not entitled for scholarships.

Assistance in procuring educational loans from banks

Student Personality Development Cell:

The Student Personality Development cell at AGI works under Central Training and Placement Department (CTPD) and has engagement plans for students from 2nd semester onwards wherein activities are planned for each student. The cell believes that personality can be shaped and confidence can be built into everyone provided the students take interest. The various training which are in built into the curriculum are:

- Soft-Skill Training
- Behavioural Training
- Corporate- Culture Training
- Aptitude Training (Quantitative/ Reasoning)

Library Support

The Central Library and departmental libraries support teaching, learning and research needs of faculty members and students. Access to extensive information resources is not only limited to text matter in books, periodicals and journals but is also enhanced by the availability of online resources accessible through subscribed journals over Internet.

Resources:

- 14292 titles and 99083 volumes
- 209 print-journals and magazines
- CDs' (Books/Journal) (Books/Magazine) Project Report
- 'UBKS Series Lectures Cds/DVDs on Management
- Access to NPTEL Study Material for users
- News Papers (National and Regional)
- Indian and foreign text and reference books
- E-Library with electronic databases
- Access to Developing Library Network (DELNET)
- Access to OPAC facility
- Multimedia Sections for Users
- Encyclopaedias and Map Sets
- Documentation & Newspaper-clippings sections
- Reprographic facility and Reading hall
- Access to Online Full Text e-Journals

Computer Centre

Given the burgeoning importance of computers in the modern world, the campus has a centralised Computer Centre, apart from various computer laboratories in each Institute.

The Computer Centre comprises of a state-of-the-art computer laboratory with over 900 high performance computers, to fulfil the needs of the changing environment. It is equipped with IBM-AIX, multiprocessor servers and comprehensive networking enabling students to access a wide range of services across the entire campus.

The infrastructure includes:

- Advanced desktops with multimedia facility
- Totally managed network environment for effective learning
- Computing facility based on multiprocessor servers
- Well-equipped laboratory With 64 Mbps leased line
- Certification courses of IBM, Sun, HCL, Oracle, CISCO, Red Hat and other reputed organisations
- High speed, campus-wide Wi-Fi network
- Availability of online study framework and online student facilitation framework on the Wi-Fi based campus intranet.

Campus Life

Those who come to AGI campus quickly realise the wonderful and special atmosphere it has. Being VIBRANT is referred to as the "Spirit of AGI". The desire, the personal attention and care, the modesty and humbleness, the friendliness and genuine concern, the bright smiles and cheerful greetings, are some of the elements that make this campus supporting and special. Everything at AGI is designed to maintain this special spirit.

Various events are organised regularly which strengthen and give wings of being a family. Some of these events are Sports Eve's, Yoga mornings, Coffee sessions, entertainment parties, themed events etc.

Campus Facilities

- The sprawling 19 acre, lush green campus of AGI is a point of attraction for not only students but for visitors too. The campus has well lit and ventilated classrooms and laboratories with audio-visual systems and interactive boards. Beside this the campus has:
- Campus-wide Wi-Fi network.
- Separate boys and girls hostels with hygienic dining facility.

The hostels at AGI take care of both safety and comfort. Campus has Round-the-clock security, 24 hours power and water availability and comfortable twin box bedded rooms makes life easy and comfortable.

Other Facilities:

The campus has an ATM, Stationery & Photocopy Counter and a Coffee and Bake stuff kiosk. The boys & girls hostel houses a Gymnasium for students. The gym is open to all hostel residents after classes. Besides it the hostels have sports facilities like badminton and table tennis, besides this they can enjoy other sports like- basketball, volley ball, cricket, football etc.

The hostels have laundry facilities and dedicated 24 hour vehicle for medical emergencies.

Transportation:

AGI has a fleet of very comfortable vehicles for pick and drop of our students and staff from across the city and nearby cities. Our transport fleet includes University buses, official commercial vehicles.

Fitness the key to Success

At AGI we encourage students to participate in various sports and recreational activities.

To develop overall performance of students, we encourage students to attain sporting excellence and provide all the necessary facilities and sports equipment to the students for maintaining physical fitness and good health.

The various Sports students can play at AGI are:

Badminton, Cricket, Football, Table Tennis, Volley Ball, Basket Ball, Snooker, other indoor games and Athletics etc

Skill Enhancement

Students get together to celebrate numerous festivals, thereby fostering a sense of home and family. Umpteen clubs like Cultural, Literary, Photography, Health & Wellness, Social Initiative etc. as well as associations such as SPICMACAY provide critical sparks of creativity and initiative. The various programmes enhances individual potentials of our students by providing opportunities to take on broad range of personal and technical job oriented skill based programmes thus empowering them to make positive changes in themselves.

Inbound Training

Our inbound training programmes are uniquely designed to give students the required additional input that a regular curriculum may lack. The various training programmes are focused at:

- Technical Certification
- Add On Certification
- Industry Orientation

Extra Curricular Activities

For the overall growth, students have opportunities to participate and compete in various extra and co-curricular activities, which help in holistic development of students. The various clubs at AGI are managed by students coordinators and supported by faculty in-charges.

Technical

- Robotics Club
- Codex Club
- AIMA Students Chapter
- Marketing Club
- Finance Club
- HR Club
- Gourmet – The Culinary Club
- Futuristic - The F & B Club
- Hospitality -The Front Office Club
- Entrepreneurship Dev. Cell

General

- Arogya - Health and Wellness Club
- Malhar - Cultural Club
- Pulp Fiction -Literary Club
- Prayas -The Social Initiative Club
- Chhavi - Photographic Club
- NSS
- Alumni Association
- SPICMACAY

SPANDAN

The two days annual fest provides opportunities to showcase talent and transcend to next level. Carnival gives a day full of fun and joy besides demonstrating managerial and marketing skills. The annual fest also provides a platform to practice and nurture managerial acumen.

KDMM

The Late Smt. Kamla Dhingra Memorial Meet (KDMM) is an inter-collegiate competitive event where professional students from different institutes participate and compete to win the running trophy.

BUILDING CAPACITIES

Conferences, Workshops and Seminars

For dissemination and application of knowledge various National and International Seminars, Workshops and Conferences are organised which provide students a platform to learn from others, some of these events are AVAHAN, MANTHAN, Technical Workshops etc.

The purpose of conducting such events are,

- Sharpening Academic skills
- Meet Experts face to face
- Learn a new space
- Network
- Moving out of comfort zone
- Develop focussed approach
- Explore new domains of knowledge
- Practising Technical Skills for the Career

SAY NO TO

RAGGING

" Ragging is a Criminal Offence and is Banned within the Campus and Hostels"

Zero Tolerance to RAGGING

In light of the seriousness of ragging as a crime, Amrapali Group of Institutes takes all possible measures to control ragging. Accordingly, an Anti Ragging Committee plays an active role in curbing ragging. This committee is headed by Chief Proctor and includes senior faculty members from different departments. Students with any grievance pertaining to ragging can contact the committee members and following which immediate action is taken.

Ragging includes:

- Act of physical and sexual abuse, homosexual assault, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health.
- Act of abuse by spoken words, e-mails, snail-mails, public insults, perverted pleasures, deriving vicarious or sadistic pleasure from actively or passively participating in discomfort to others.
- Exploitation of junior students by seniors for completing academic or any personal task.
- Any act by a senior student that adversely affects the mental health and self-confidence of junior students.
- Act of financial extortion or forceful expenditure.
- Any other act as recommended by legal authorities

An undertaking regarding refraining from ragging with information of the consequences of indulging in ragging is taken from students and their guardians, prior to admission.

Anti Ragging Cell

A student can lodge an immediate complaint pertaining to act of ragging at any of the following key numbers of anti-ragging cell:

Director FHM : 9837030794

Director FCSA: 8755683945

FACULTY OF HOSPITALITY MANAGEMENT

The Hospitality Industry Continues to Grow

The World Travel Organization predicts that it will triple in size by the year 2020, becoming one of the largest industries in the world. This growth will continue in same way and industry will become largest employment provider by 2030.

Our curriculum combines theory with authentic hands-on learning experience and students have numerous opportunities to interact with industry professionals. Students also get access to hands-on real-life training programme incorporated in their day to day activities to make them industry fit.

The skills learned at Faculty of Hospitality Management at AGI are applicable not just in Hospitality Industry, but to the entire Service Sector and Tourism-related businesses. A career in the Hospitality Industry includes opportunities in many different areas apart from hotels, Such as:

- Event Management (sporting, cultural, concerts, exhibitions, conferences etc.)
 - Banqueting
 - Theme parks and attractions
 - Restaurants
 - Out Door Caterings
 - Resorts (golf, ski, jungle, hill, beach, spa, etc.)
 - Airlines
 - Railways Catering
 - Cruise lines
 - PRO in MNC
 - Hospitals
 - QSR
 - Government Jobs such as Estate Management Officers
 - Armed Forces
- and many more service-related industries.

"I am very proud to have been a part of Amrapali family & also proudly representing it to the world. We had lot of fun and memorable moments out there.

What I am today is because of my hard-work, passion & dedication but not to forget that this can never be possible if you did not have a strong support & education line which I have got from Amrapali.

I have learnt professionalism and world skills through the various practical and training sessions conducted by my teachers and industry experts. My best wishes to every one out there."

**Sana Salim
Duty Manager,
Anantara Al Jabal Al Akhdar
Resort, Muscat**

The various courses at FHM provides students exposure to basic practical skills that are expected of any Chef, F&B Service Expert, Room Division Manager or any other hospitality professional along with the skill orientation through various training sessions by industry experts to have latest skills. Focus is on Skill enhancement and for the same Tie-Ups with training partners are done in the academic sessions.

ABHYUDAYA

Exploring Hospitality Potential

ABHYUDAYA, the National Hospitality Talent Hunt is being organised for the last 13 years with an objective to provide a platform to budding hospitality professionals from various Hospitality Institutions across the nation, wherein they can learn & exchange different skills, explore and unveil the talent within .

Do you know what it feels being where I am today

Great, Simply gorgeous and great! Every little thing counts and AIHM has given me big richness of life through the undefeatable trait backed by knowledge. I owe every bit of my success to the great mentors of Amrapali who have helped to shape and design my career, MY LIFE!

A big thanks to all my teachers. The footsteps I follow were the hard work of my great teachers.

Anshul Sanwal
Resident Manager
Reethi Faru Resort, Maldives

As the years of knowledge and learning unfold I could feel the strength AIHM has in helping me carve a niche of my choice.

The day I joined AIHM I was not sure about my career horizons but in second year of my study itself I was able to decide about my future goals, for which I am thankful to my mentors at institute.

My words speak through my craft as I receive recognition in this field and grow. A humble thanks to Amrapali for kindling the zest to rise in me. Thank you respected mentors!

Jagdish Tiwari
Food & Beverage Manager
Etihad Airways, UAE

After four amazing years at AIHM, I felt confident, motivated and my carrier had a focused direction, and most importantly I had a strong portfolio. That strong portfolio helped me get accepted.

It was indeed a learning exposure and a sound practical knowledge which was imparted to me during my study years at Amrapali. I was chiseled by mentors and the technical skilled learnt polished my profile towards a strong portfolio.

What does Four Season mean to me now is the beginning of a long journey ahead.

Lalit Mishra
Asst. Beverage Manager
Four Seasons Hotel- Bahrain

I have been associated with the institute for past 3 years now and each time the interaction has been very professional. The students from the institute are well-versed with the basics of hospitality industry and are well trained on personality enhancement. The credit definitely goes to the faculty who has been imparting the knowledge the students. The response from the institute is very prompt.

I look forward for the fruitful continued professional association with the institute and wish all the students and faculty success for the upcoming years ahead.

Yamini Bhakri
Human Resources Manager,
The Hyatt

It is only good thing which I have to say for AIHM " I would like to congratulate the faculty and management of Amrapali Institute of Hotel Management for making the Institute stands out among other hotel management Institutes, our association with the institute has been good and we have already selected students in the past as they stand out due to their knowledge, grooming, confidence and over all personality which I believe is due to hard work and discipline of the faculty members. I would like to see Amrapali Institute of hotel Management become a premier institute in Hotel Management as I believe it has potential to reach there."

Col Mahesh Rathore
Head - Human Resource
The Oberoi, New Delhi

Ambitious, best Faculty and great infrastructure!

Amrapali gives you the possibility to shape an individual's personality. It not only teaches you great values but also would evolve you very quickly in an adult environment. I would strongly advise young Undergraduate students to apply to Amrapali if they wish to pursue a career in hospitality. It offers not only a strong professional education but also an access to a very valuable network."

Kallol Saha
Training Manager
The Leela Ambience Hotel & Residences

**FACULTY OF
COMMERCE & BUSINESS MANAGEMENT**

BE THE LEADER

**BUSINESS HAS NO BOUNDARIES.
NEITHER SHOULD YOU.
OUR PROGRAMS ARE AIMED AT
MAKING YOU STRONG ENOUGH
TO BREAK BOUNDARIES AND
LEAD.**

Programmes at Faculty of Commerce & Business Management help you develop the knowledge, hands-on experience and network to find your own path and shape your future. We provide a strong foundation in business principles and the inspiration & encouragement one need to launch own legacy.

With students from diverse backgrounds and faculty members reflecting strong industry and academic experiences, the programmes including MBA, BBA and B.Com(Hons.) stand out for its focus and character. The programmes' well-thought integration of classes, live business cases, projects, personalized mentoring and several other pedagogies transform and prepare students to manage business organizations in the present uncertain yet challenging times of the 21st century.

A Career in Business Management & Commerce leads to various opportunities in fields such as:

- Project Management
- Business Analytics
- Business Advisor
- HR Recruiter
- HR Generalist
- Equity Analyst
- Risk Analyst
- Business Development
- Marketing Research
- Financial Analyst
- Social Media Professional
- Content Writer
- Brand Manager
- Public Relation
- & many more....

**It starts with you.
Your aspirations.
Your career.
Your future.**

It was a truly inspiring & transformational experience at Faculty of Commerce & Business Management. I valued the spirit of innovation at every moment, which has helped me in career and beyond. What makes MBA at Amrapali unique is that students are not simply taught about the business, but they rather experience it. Through classes, mentoring and career development, I was able to make a seamless transition into a career that I love the most.

**Vinod Bhatt
Manager, KPMG
Dubai**

Take Your Career To The Next Level

Now, more than ever, the global business world is calling for well-prepared business leaders-those who possess wisdom and knowledge, solid business skills, a global mind-set and a desire to make a positive impact on society. Employers are seeking business professionals who can solve complex business problems. The programmes at Faculty of Commerce & Business Management, demonstrate uniqueness & restores faith in the smartest business decision you have taken.

Reasons To Choose Programme At Faculty of Commerce & Business Management

- Qualified & Experienced Faculty Members
- Reap the Return on Investment
- Beyond Curricula Experiences
- Individual Attention & Mentorship
- Strong Alumni Connect
- Strong Placement Track Record

COURSE	DURATION	ELIGIBILITY	AFFILIATION/ APPROVAL	FEE (IN RS) PER SEMESTER
Master of Business Administration (MBA)	2 Years	Graduate with 50%	Uttarakhand Technical University and approved by AICTE	50,000

INTENSIVE LEARNING EXPERIENCES

The programmes at both undergraduate and post graduate levels are designed and delivered in a robust way to immerse participants into an intensive learning experience.

LIVE PROJECTS

Our students regularly work with organisations across diverse industries through live class projects. Students get to research, develop and pitch proposals & presentations.

ACCESS TO THE BEST EXPERTS

At the heart of our programmes lies access to the best of the experts from industry and academia both. Industry and academic experts regularly visit our campus to interact and guide students for their professional endeavours ahead.

INNOVATIVE TEACHING METHODOLOGY

At Faculty of Commerce & Business Management, students engage directly with real business opportunities and challenges made possible through innovative teaching methodology. Case studies, story-telling, simulations, business games, e-learning, blended learning and several others are common features of the programmes.

TRANSFORM YOUR FUTURE

We offer a transformational experience. You will push yourself, learn about yourself, turn thought into action, gain real-world experience, and learn how to be comfortable outside your comfort zone.

If you are seeking programmes that will transform you both professionally and personally. We invite you to be part of this exceptionally transforming journey.

When you arrive and become part of Faculty of Commerce & Business Management, you are connected for a life time. With our dedicated team we assist students to build relationships, realise their potentials, sell talents and transform futures. We start working with you as soon as you step in the campus and are by your side as you look into internships, trainings and job offers.

We develop and nurture skills for the lifetime:

Leadership	Multitasking
Decision Making	Analytical
Networking	Negotiation

Career Oriented Add-on

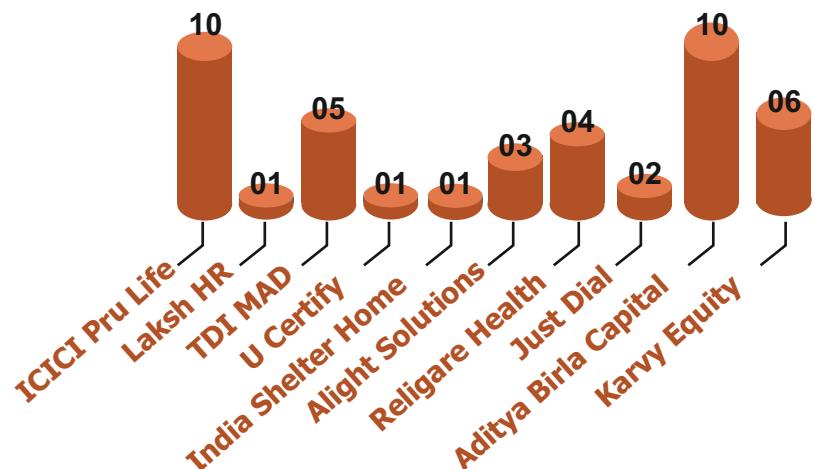

Certifications in:

Retail Management
E-commerce & Digital Marketing
Banking, Financial Services & Insurance
Tally
Supply Chain Management

Co-curricular Opportunities: Several of our co-curricular events and activities foster the spirits of collaboration and competitiveness. The co-curricular activities including the management fest and various clubs hone managerial skills of the students. The activities assist in gaining hand-on-experiences in managing and leading people.

Placement 2017-18 Till March

PRABANDHAN

Quest for Budding Professionals

Prabandhan is a flagship inter collegiate management-fest focussed on identifying and acknowledging skills of potential business professionals.

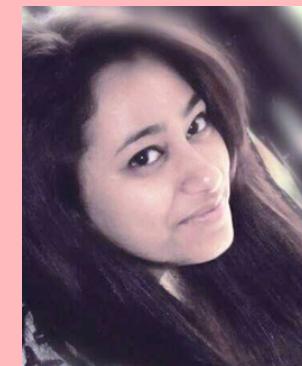

Alumni Speak

I would describe Amrapali as exciting and dynamic. The best thing about pursuing MBA program is the number of additional opportunities that are available. I was initially attracted by the school's reputation, and my career goals.

To any new student coming to Amrapali, I would say this: Throw yourself at every opportunity that comes your way. Opportunities make all the difference between getting what you want.

Manish Mishra
Sales Manager
Asia Petrochemicals Dubai

It was a great time we spent in Amrapali Group of Institutes while pursuing MBA. The institute has very wonderful faculty and they are very cooperative and campus environment is very positive. The department has made the sincere efforts to bring the best out of us. The days spent at Amrapali are the moments for the life time.

Bhagwati Kandpal
HR Executive
EQS Group

Nothing can be as satisfying as writing a testimony for your own alma mater. Faculty of Commerce & Business Management at Amrapali is one of the best and is known for its excellence. It has all the best facilities under one roof - state of infrastructure, erudite faculty, professional teachers, well stocked libraries, good computer labs, sports area, and hostels with all amenities. I am proud to be an alumnus of Amrapali.

Tushar Saluja
Asst. Manager-Trading Auctions
Agri Bazaar

Karvy Stock Broking has conducted an on-campus drive at Amrapali Group of Institutes and we have seen experienced set of very professional and well-groomed candidates for our recruitment. The institution has a good talent pool of fresh minds that have been trained to become industry ready in state of the art infrastructure with a very high focus on technical capability as well as soft skills of students.

Parvez Shaikh
AGM – Training
Karvy, Hyderabad

We take extreme pleasure in getting associated with Amrapali for recruiting students for Religare. This is our first campus drive with the students of Amrapali and we have found that all students are very informative with a great level of understanding of the subject matter. We truly appreciate the combined efforts to set up an exclusive placement division to benefit both your students and the companies. We anticipate your extended service for fulfilling our manpower requirements in a long run.

Mani Chhabra
Manager, Human Resources
Religare Health Insurance

Visiting Amrapali Group of Institutes has always been a matter of great privilege. I have earlier hired BBA and MBA students during my stint with Religare Health Insurance. This time I represented Aditya Birla Capital, Mumbai and just like ever before it was fascinating to find and recruited students with high calibre of education, discipline and skills. We are happy to continue this association in future as well.

Prabhakar Arya
Operations Head
Aditya Birla Capital

FACULTY OF COMPUTER SCIENCE & APPLICATIONS

NEXT GENERATION PROFESSIONALS

"India's Information Technology (IT) industry is World's Largest Outsourcing Destination.

Compound Annual Growth Rate, 9.5 per cent to US\$ 300 billion by 2020 at the IT-BPM Sector.

Growth of the Indian IT sector is expected to rise and reach US\$ 350 billion by FY 2025."

At AGI's Faculty of Computer Science & Applications (FCSA) we differentiate our budding graduates through:

- Dedicated sessions for international certification from Microsoft, Red Hat, Oracle, CISCO, IBM etc.
- Practical training and projects to cover Database administration, System maintenance, Java, C# & .NET framework, Android & IOS application, Security analysis etc.
- Exhaustive pre placement and soft skill training by trained experts for proper job placement.

We are living in the era of Information Technology. All most all parts of the human life is heavily dependent on Computer Science & Application e.g. Administration, Defense , Public Safety, Accounting, Banking, Space Technology, Education, Entertainment, Manufacturing Industry, Medical Science etc.

A computer application professional have a lots of options to work in various Government & Public Sector Organizations as Information Technology Officer, Software Programmer ,System Administrator, Security Analyst. Apart from Government sector, private sector also offers all the above roles and position to Computer Application professionals with lucrative salaries.

"All it needs is a correct blend of guidance, lot of hard work and strong foundation for a person to succeed. FCSA at Amrapali gave me a platform to expose my talent, which ultimately resulted in my progress. I am thankful to faculty for nurturing within me qualities of a Next Generation Leader. At Amrapali I learned the computer application skills that placed me at par with the best in the industry. The inbuilt training and expert interactions helped me to gain industry exposure and the practical sessions enhanced within me technical skills required in the ever-evolving IT world."

**Mohit Bhatt
Sr. Software QA Engineer
WIPRO USA**

THE DIFFERENCE

- 19 years of excellence
- Strong Alumni Community
- Summer and Winter Internship to acquire practical experience
- Diverse employment across country and abroad
- Rich Software library with Advanced Computer Lab
- Special Training on LINUX Administration / Database Administration
- Personality Development Classes for grooming the student and making them ready for employment
- Specialised project works on GPS, Mobile Application Development and various database applications using Java, PHP, ASP.NET, MySQL, ORACLE, SQL Server and many more
- Hands-on experience through industrial training in reputed organisations
- Expert sessions by renowned academicians and professional trainers
- Advanced Computer Lab with fast internet connectivity
- Competency Enhancement Cell (CEC) for Training Support on Advance software platforms like- .Net, Open source, J2EE etc.

COURSE	DURATION	ELIGIBILITY	AFFILIATION/ APPROVAL	FEE (In RS) PER SEMESTER
Master of Computer Applications (MCA)	3 Years	Graduate with 50% & Maths at 10+2 level	Uttarakhand Technical University and approved by AICTE	44,000
Master of Computer Applications (MCA) Lateral Entry	2 Years	BCA, BSC (IT/CS) with 50% & Maths at 10+2 or graduate level	Uttarakhand Technical University and approved by AICTE	44,000
Bachelor of Computer Applications (BCA)	3 Years	10+2 with 45% & Maths	Kumaun University	30,000

BRIDGE COURSE

The bridge course for the students admitted to MCA 2nd year through lateral entry fills the gap and provides them knowledge on the topics that are covered in MCA 1st year like Object Oriented Programming Skills, Java Technology, etc.

PERSONALITY ENRICHMENT AND COGNIZANCE CELL (PECC)

PECC offers variety of personality development programmes on- aptitude, confidence building and communication enhancement which help students to enrich their personality and get ready to face the corporate world with utmost confidence.

EXPERIENCED FACULTY

The teachers at FCSA are well qualified and backed up with rich research and industry experience in the field of development and applications which enhances the academic delivery process.

TECHNICAL WORKSHOPS

The field of technology is ever changing and it becomes vital for students in computer science field to be updated. Therefore, it has always been an objective and one of our strength to provide training to students on latest trends and technologies. For this purpose technical workshops are conducted on regular basis.

Certifications in:

Advanced Office Automation

Responsive Web Application Development

Mobile Application Development (Android & IOS)

Graphics & Animation

BEST CAREER OPTIONS

Computers and computerization has transformed mankind and modern living remarkably. IT professionals have become the problem solvers of the modern age, as they develop innovative ways harnessing the power of computing to address the problems related to almost every facet of human life. Hence, Computer Application graduates find ready and diverse employment across industries and geographies. To this end, we follow a flexible curriculum in order to groom them to become capable IT professionals and managers by gaining the necessary knowledge, skills and expertise. Through career-oriented programmes, we equip students with the tools needed to succeed, lead and exceed in today's competitive global economy.

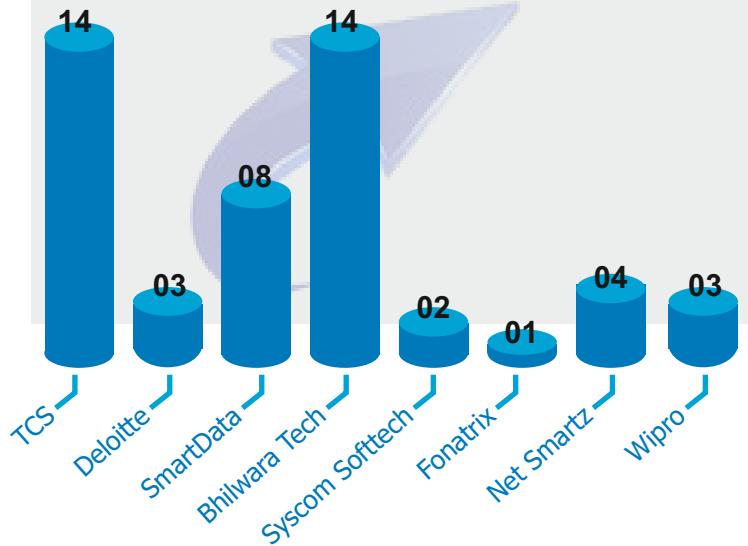

Software Developer	Computer Programmer	Web Developer	Database Administrator	System Analyst
System Administrator	Logic Designer	Data Mining	Project Manager	Software Tester
Network Engineer	App Developer	Cyber Security Analyst	Project Testing	Content Developer

It is not necessary for Computer Application professional to work for IT industry only. They can start their own company with a very small monitory investment, even with a PC and some specialized knowledge of software language and frameworks.

After completion of programmes in Computer Applications MNCs like, TCS offers TCS Ignite (a learning program for young science graduates who are selected to be employed in Tata Consultancy Services) and Wipro offers WASE (Wipro Academy of Software Excellence) programmes in which they provide higher education(MCA) from Institutions like BITS Pilani and job simultaneously. Every year a good number of students from FCSA at AGI are selected in these programmes.

PLACEMENT TILL MARCH, 2018

IMPULSE

Fest of Computer Wizards

Impulse is an inter collegiate tech-fest for the next generation of computer wizards and focuses on reinventing and re-energising the computational skills.

"Amrapali" gave me the platform to mould my future towards my desirable dream. It helped me in every possible way in taking out my possibilities for countering the practical professional world. The faculty members were very helpful throughout my MCA academic journey.

I am thankful to faculty members for providing the base and initial step in entering the professional world through placement support, which helped me in taking further growing steps in my life.

Ankit Joshi
Team Lead, Valtech

I feel the kind of exposure we got from our Institute was exceptional. The exposure was not only limited to the boundaries of our Institute but was global too which helped us realize and practice new technologies and processes. The expert sessions and training schedules gave us very good insight. All I can say is that the Institute gave me new perspective towards my career. As I take new strides in my career, I always remember my institute with gratitude. It gave me a strong foundation of concepts that come very handy in my corporate life.

Savita Bisht
Assistant System Engineer, TCS

I was indeed blessed to study at Amrapali. The ambiance was very conductive for learning. The campus is very big & beautiful. The staff, teachers are very nice & supportive. The Technical support I got from my Professors helped me to compete with the actual scenario of the software industry. The guest lectures by visiting faculty members helped me to expand my knowledge horizon.

Aspandan
Escalation Manager, WIPRO Tech.

"It was a great experience to conduct drive at Amrapali Institute, got good number of shortlisted candidates and coordination and arrangement by Training & Placement Team were awesome. Looking forward to have a long term recruitment and Campus to Corporate Association with Institute".

We are recruiting MCA students from Amrapali since last few years, and we are very pleased with the attitude, professionalism and the technical knowledge of the students. Most of the students are continuing their association still with us and that gives us motivation to recruit more and more students' from Amrapali.

FACULTY OF TECHNOLOGY & SCIENCES

ENGINEERING BEYOND IDEAS

**CHALLENGE IDEAS,
THINK OF NEW SOLUTIONS,
COLLABORATE, INNOVATE,
AND LEARN TO CREATE.**

**YOU MIGHT
JUST CHANGE THE WORLD.**

Faculty of Technology & Sciences is a leader in engineering education and research, attracting some of the brightest minds. With a strong foundation built on innovation, research opportunities and entrepreneurial intent, we produce students that are sought after by renowned companies.

You will be empowered from the very start of your education at Amrapali. All budding engineers in computer science, electrical, mechanical and electronics at Faculty of Technology & Sciences are driven by unanswered questions and passionate about new discoveries.

A Career in Engineering leads to various opportunities in fields such as:

- Automobile
- Application Development
- Data Analysis
- Software Engineering
- Production
- Quality Testing
- Power
- Machine Design
- VLSI
- Control Systems
- Computer Architecture
- Embedded Circuit Designer
- Digital Communication System
- Energy Distribution
- Robotics Engineering
- Design Engineering
- Graduate Engineer Trainers in PSUs
- Defence
- & many more....

Amrapali Institute has just not given graduation degree to me, rather it made me think about my career and kept various options in front of me. It gave me chances to explore my hidden talents.

The learning experiences, training opportunities and continuous efforts of my mentors helped me to upscale my potential and get geared for being successful in my career.

**Udyot Verma
Systems Enginner
Intellect Design Arena Pte Ltd.
Tokyo, Japan**

Shape The Future

Develop your skills first-hand in state-of-the-art facilities using real-world processes and technology. Learn and get trained from the best mentors in the region.

Faculty of Technology & Sciences combines best engineering programmes with hands-on learning that takes students beyond the classroom.

Career Development & Workforce Readiness

The training and placement department at Amrapali provides resources, workshops, career coaching and many more opportunities to help students identify career paths, obtain internships, and secure full-time employment even before their programs are completed.

COURSE	DURATION	ELIGIBILITY	AFFILIATION/ APPROVAL	FEE (IN RS) PER SEMESTER
Bachelor of Technology (B.Tech) [CSE, ECE, EEE, ME]	4 Years	10+2 with 45% in PCM	Uttarakhand Technical University and approved by AICTE	36,000
Polytechnic Diploma in [ME, EE]	3 Years	10th Passed	Uttarakhand Technical Board and approved by AICTE	20,000

Learn By Doing

Students will have the opportunity to apply theoretical knowledge to solve real-world problems. You will work on live projects, with state-of-the-art technology in hands-on lab environments to master practical engineering & technical skills and the theoretical principles needed to succeed in any industry from your very first day on the job.

Accomplished Faculty

You will learn from faculty members who are dedicated to teaching and active engagement in cutting edge applied research, scholarly activity and professional practice.

Industry Partners & Certifications

The engineering degree at Amrapali is clubbed with equally effective and affordable certifications from industry partners. The students have opportunities to participate with faculty and industry partners on student projects, internships, research and incubation projects.

Access & Affordability

Faculty of Technology & Science offers one of the most affordable and quality engineering education in the region. The students therefore reap the benefits of higher return on investment.

BELIEVE US YOU WILL DO MORE THAN THE STUDY

**Build Your Ideas
Design & Deliver
Solve Real-World Problems
Collaborate and learn
Grab Opportunities**

Faculty of Technology & Sciences has a vibrant community of students who love to work hard and play harder.

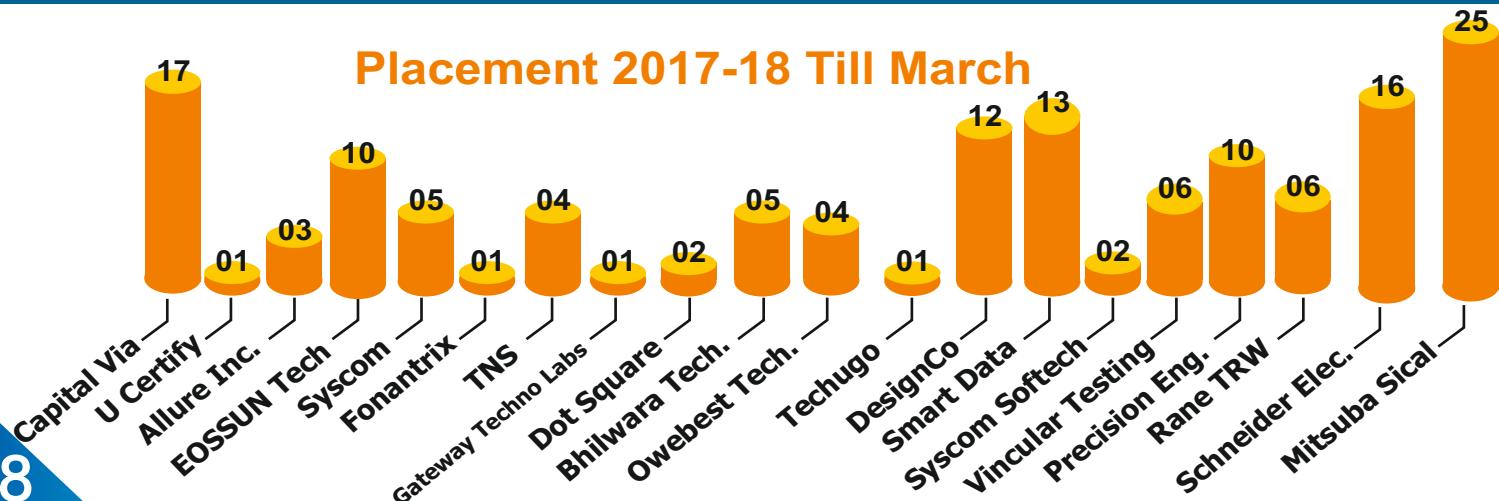

Our Computer Science Engineering students apply computer engineering knowledge and skills across industries. The program aims at making students by their innovation and creativity expert in computer hardware and software domains so as they can create systems that meet real-world performance needs.

In the Electrical & Electronics Engineering, students specialise and gain experience in a range of fields, including power generation and transmission, industrial automation, hybrid vehicles, tracking systems, telecommunications devices and circuits, and green energy. Being trained by best of the mentors and getting hands-on experience in state-of-the-art labs we prepare engineers, ready to jump into a challenging career.

In the Mechanical Engineering, students get hands-on experience right away, dissecting and building technologies that improve society. They develop multi-disciplinary set of skills using in-depth knowledge of core mechanical engineering concepts and become industry-fit for career possibilities that are endless.

In Electronics & Communication Engineering, our students combine the elements of machine, electronics, computer & software in the classrooms with hands-on in the live projects. Our multi-faceted graduates are prepared for the integrated and complex nature of real world engineering.

SANDHAAN

The Engineering Tech-Fest

Sandhaan is an inter collegiate tech-fest aimed at harnessing technological talent and new age skills of engineering students through various competitive events.

Alumni Speak

The time spent in Amrapali has been one of the most cherished days of my life. Not only were the faculty members cooperative but also the ones giving us opportunities to excel in various fields. The learnings in Amrapali helped me to communicate, innovate, and collaborate in ways that enabled me to build a successful career and stand-out in my career path. I wish all the Amrapalians good luck for all their future endeavors.

Niyati Shah
Associate Lead,
Nagarro Inc.

I am working with Capgemini India Pvt. Ltd. as an Associate Consultant. I am a 2013 passout from Electronics & Communication Branch. I feel proud and obliged to be an alumnus of such an amazing Institute. The only thought which I follow and want to share is "Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time". Students should also focus on their personality and communication skills in addition to their academics.

Jay Singh Dasila
Associate Consultant,
Capgemini India Pvt. Ltd.

"When I reflect my four years in Amrapali Institute for the B.Tech degree (2008-12), I conclude that the experience not only made me a better person but also prepared me for great career opportunities. I thoroughly enjoyed my time with incredibly supportive classmates and professors. It was a wonderful time in life, and the best educational experience I've had."

Pooja Singhal
Senior Software Engineer,
IBM

HR Speak

We ventured an on-campus placement drive with the students of Amrapali for the first time. We are always on a lookout for passionate coders and our hiring process is very stringent and continued for weeks with varied levels of difficulties. We would be very pleased to be associated with the institute for a long time to come and add to our bouquet of passionate coding experts that will take Allure Inc. to unprecedented heights.

Mr. Suresh Shinde
Chief Technology Officer
Allure Inc., Goa

We wish to congratulate all the selected students with Vincular. Our sincere gratitude to faculty and management for their focus on imparting quality education which led to selection of good students during the campus recruitment process conducted for the current batch pass outs. Students are trained to be apt for any corporate role. Their intense interest, persistent attitude and intellectual curiosity drive them to get deeply involved in their work and excel in it.

Mr. Balbir Bora
General Manager
Vincular Testing Labs, Bangalore

It was incredible opportunity to conduct the campus recruitment at Amrapali Group of Institutes. Designco, is a part of prestigious Lohia Group of Companies and is pleased and privileged to join hands with an equally prestigious institution of higher education. We have hired twelve mechanical engineers from the Faculty of Technology & Science and hoping to continue the association ahead.

Mr. Ashok Batra
Head – Organizational Development
DesignCo (A Lohia Group Company)

FACULTY OF EDUCATION

**By education
I mean an all round
drawing out of the
best in child
and man-body,
mind and spirit.”
- Mahatma Gandhi**

Faculty of Education at AGI aims to train human resource as educational leaders and as experienced educators with knowledge and skills.

The overall aim of programme is to promote and support educational scholarship, research and practices.

The Faculty of Education provides excellent job-oriented teacher training conforming to the norms of N. C. T. E. with the intention of inculcating the art of teaching in the students and enhancing their skills and competencies, to prepare them to meet the rigorous demands of global trends in teaching.

During the teacher training course emphasis is given to all-round development in the personality of the student, through curricular and extra-curricular activities, to enable them to attain their full potential as teachers.

COURSE	DURATION	ELIGIBILITY	AFFILIATION/ APPROVAL	FEE (INR) PER SEMESTER
Bachelor of Education (B.Ed.)	2 Years	Graduate with 50%	Kumaun University and approved by NCTE	As per Kumaun University norms

The Programme provides students:

- Best participatory and experiential teacher training.
- Provision for active participation of teachers in conferences / workshops.
- Teachers are motivated to acquire research acumen and engage in the formulation of teaching plans and e-learning tools
- Tutorial sessions for problem-Solving Exercises
- Bi-lingual Explanations
- Remedial Classes in intimate classroom environment
- High level of faculty interaction
- The teamwork-focussed environment
- Networking and learning opportunities
- Active learning pedagogy
- Expert sessions
- Field assignments
- Presentation sessions
- Weekly mentor meeting

OUR GRADUATES SUCCEED

"AMRAPALI PRODUCES WHAT BUSINESS HAS ALWAYS SAID IT WANTS - SMART, MOTIVATED & RELEVANT GRADUATES".

The Training & Placement Cell provides one-on-one guidance on your quest for the perfect career. We help you attain the knowledge, skills, practical experience and network you need to land a great job. We work to smooth the transition from campus life to the professional world by:

- Researching the best career options
- Identifying and communicating the skills required to be successful
- Designing and conducting workshops on goal setting, resume writing, techno-commercial awareness, group discussions, personal interviews and many more.
- Helping students gain practical experience through industrial visits, internships, industry interactions etc.
- Assisting students in developing valuable professional contacts.
